Last updated December 2, 2020

ORCID

<https://orcid.org/0000-0001-8462-8345>

FIELDS OF RESEARCH INTEREST

- Heliophysics and Cosmic Rays
- Space Environment and Interplanetary Medium
- Space Weather
- Data Analysis

EDUCATION

National Institute of Astrophysics, Optics and Electronics
M. Sc. in Space Science *2020*

Meritorious Autonomous University of Puebla
B. Sc. in Physics *2017*

SCHOLARSHIPS & HONOURS

Mexican Academy of Sciences
Undegraduate Scholarship to conduct research activities *2016*

National Council for Science and Technology (Mexico)
Graduate Scholarship to conduct graduate studies (M. Sc.)
National Institute of Astrophysics Optics and Electronics (INAOE), Mexico *2018 - 2020*

Royal Observatory of Belgium
Research Internship to conduct research activities. *2019*

National Council for Science and Technology (Mexico)
Graduate Scholarship as a visiting graduate student
National Institute of Space Research (INPE), Brazil *2019*

SCIENTIFIC PRESENTATIONS

- **Poster**, LXIII Meeting of the Mexican Physical Society (online) *10/2020*
- **Invited Talk**, Space Geophysics Division DIDGE/CGCEA - INPE, Brazil. *02/2020*
- **Poster**, VII Brazilian Symposium on Space Geophysics and Aeronomy. *11/2018*
- **Poster**, LXI Meeting of the Mexican Physical Society. *10/2018*
- **Talk**, Meeting of the Cosmic Rays Division of the Mexican Physical Society. *10 /2018*
- **Invited Talk**, Seminar on New Physics in Accelerators and the Cosmos, BUAP. *02 /2017*
- **Poster**, LIX Meeting of the Mexican Physical Society. *10/2016*
- **Poster**, LVIII Meeting of the Mexican Physical Society. *10/2015*
- **Poster**, LVII Meeting of the Mexican Physical Society. *10/2014*

SELECTED SERVICES

Collaborator, Mexican Astronomy Olympiad *2018 - 2019*

SELECTED OUTREACH

Lecturer, Outreach Talk, at *Night of Stars, Mexican Astronomical Event.* *2018*

Lecturer, Outreach Talk, at *Night of Stars, Mexican Astronomical Event.* *2017*

Lecturer, Outreach Talk, at *Night of Stars, Mexican Astronomical Event.* *2016*

TEACHING

Guest Lecturer, Mini Course: Special Relativity, at Mexican Astronomy Olympiad. *2018*

Guest Lecturer, Mini Course: Stellar Properties, at Mexican Astronomy Olympiad. *2018*

Teaching Assistant, Course: Space Weather, at INAOE. *2020*

Math / Physics tutoring, high school / college level *Present*

SCIENTIFIC SOCIETIES

Member of the Mexican Physical Society *Present*
